

## **Auto Wreckers Perth**

Auto Wreckers Perth is a small family owned business which aims to supply the general-public, mechanical businesses and smash repairers with used car parts.

We opened our doors in 2016 and are enthusiastic and excited to be a part of the growing demand of cheaper second-hand parts over the more-costly new parts. We are made up of a small group of friendly staff that will go above and beyond to fulfil your part requests.

We dismantle a wide variety of makes and models like Holden, Ford, Hyundai, Mitsubishi, Mazda, Mercedes, Honda, Toyota, Subaru, Suzuki, BMW, Nissan, Alfa, VW to supply a large variety of used car parts including;
